2016 - OIV Research grant program in support of priority programme fields

Within the framework of developing its Strategic Plan, the OIV grants research scholarships in priority programme fields on a yearly basis. Grants offered within the framework of this programme are short term (six months to fifteen months maximum) and are provided for specific post graduate training programmes. Targeted candidates must be very qualified, with the desire to pursue their research, further knowledge and keep up on the latest progress made in their field of study and/or work.

Application forms must be filled out and sent to the OIV - OIV – Research grants – 18, rue d’Aguesseau – 75008 Paris – or [job@oiv.int](mailto:job@oiv.int)

Deadline for submitting requests: 13th September 2016
