A decade of durable timber posts

Rural News Group

Testing of durable eucalypt posts in Marlborough vineyards has shown that after a decade of being in the ground, the posts are standing up to the test of time.

What Does Your Bottle Really Say About the Wine?

Wine Enthusiast Magazine

We spend a lot of time talking about the stuff inside wine bottles. But can the bottle itself, from its shape to color of the glass, tell you more about what you're drinking? We go deeper than a punt into what's behind your wine bottle.
