2018, a bad year for Bordeaux

Vitisphere

"The figures are down", admitted Allan Sichel. "Last year, Bordeaux wine exports fell by 14% in volume (1.9 million hl) generating revenue of 2.09 billion euros. And sales in French supermarkets and hypermarkets fell by 12% in volume (to 1.08 million hl) and by 7% in value (to 837 million euros)".

Cabernet Sauvignon production grows by 29 percent in Washington wine industry

Great Northwest Wine

Winemakers in Washington state crushed more Cabernet Sauvignon in 2018 than ever before, and it accounted for 29 percent of the near-record 261,000 tons of wine grapes harvested.

How the Flooding Affected the Sonoma's 2019 Vintage

Wine Enthusiast Magazine

Northern California wineries and vineyards continue to clean up and dry out from the unusually heavy rainfall that hit in late February and caused some of the areas' worst floods in 20 years.
